

WHERE HISTORY BECOMES EPIC

Big Child Creatives fixes its glance on history.

There are many historical events and characters worthy of being represented in a miniature, and we challenge ourselves by trying to surprise you with our own take on them.

Epic and dynamic representations of the most recognized characters and warriors in history.

With an artistic development as careful as ever - of which we are very proud, we want to develop our own visual language and ensure the quality of our miniatures by controlling the creative process through all of its phases. From concept art, 3D sculpture, and painting, to careful casting in high-quality resin.

We hope you can enjoy our scenes as much as we will enjoy creating them.
